

## Call for Applications

### Ludwig-Professorship of Printmaking

Reference number 10/2018

As part of a three-year cooperation between the Peter and Irene Ludwig Foundation and weißensee academy of art berlin, the foundation has provided funding for a part-time visiting professorship. Artists with extensive experience in printmaking who take an open-minded and experimental approach to the medium, are invited to apply. The visiting professorship is intended to foster independent contemporary artistic approaches in teaching, and the professor is expected to explore with students the possibilities of printmaking as a contemporary artistic technique and practice in all its facets. weißensee academy offers a broad range of production facilities in its own workshops that are headed by experienced staff.

0.5 W 2 Ludwig-Professorship of Printmaking  
at weißensee academy of art berlin
